

Constant Sigh

Me, Myself, and I
the reason for my constant sigh.

Those around me say
Why bother? Why try?

But You my LORD
have opened my eyes.

Your LOVE has removed
the burden I bear.

I submit to Your
faithful care.

By Your STRENGTH
I will fare.

Trials come and go
but Your LOVE is eternal.

Your MERCY extinguishes
the flame infernal.

Your GRACE delivers
me from the tribunal.

The Father, Son, and Holy Spirit
are my constant joy.

God's precious child
given a treasured toy.

I have become
God's forgiven boy.

You are the reason
I bother and try.

My home is Heaven
when I die.

Your LOVE has removed
my constant sigh.
