Dearest

Prison Ministry Director:

I was one of the Kolbe Retreat Brothers in White this past July 11th to the 13th. I had done a Kyros program some time with-in my prison term.

The Kolbe Retreat really impacted me being honest, I can not give you a number how much stronger it was from Kyros; Kolbe hit me so

strong that in all of my term in prison I had not felt to shed a tear for Jesus for all he'd done for me so honestly I shed more than one tear. And I thank

you so very very much for your presentation. God LOVES

You So Much, so do the Brothers in White - Thanks to All Kolbe

Retreat Brothers - God Loves you all very very much with all his heart and also All Brothers in White.

Thank you once again from all Brothers in White and for All in All.

God Bless You all for the opportunity to participate for Jesus
